4,8

THE AVERAGE  
SATISFACTION RATING  
FOR OUR PROGRAM  
(ON A SCALE OF 1-5)

## → 5xSTOP IS COOL!

### Say STOP to the following 5:

1. Speed!
2. Alcohol!
3. Drugs and other psychoactive substances!
4. Using mobile phones and other distracting devices!
5. Aggressive behaviour!

#### TARGET GROUP:

pupils in the third triad of primary school and high school students

#### EVENT ORGANISERS:

Safe Journey Institute moderators/facilitators in conjunction with a road safety expert and a road crash victim

#### FORMAT:

debate, discussion, simulation activities

#### OBJECTIVES:

To encourage pupils and high school students to have a positive attitude to road safety. Acknowledgement of the value of life, health, and safety. To share opinions and put forward for/against arguments about what constitutes safe mobility. To raise awareness of crash prevention measures. To actively work towards meeting the objectives of VISION ZERO.
